

CB RICHARD ELLIS - DEVELOPMENT LAUNCH

THE BRIEF

CB Richard Ellis (CBRE) is a premier, global, full-service, real-estate services company. Focusing on specific buildings and locations, we worked closely with CBRE to create and evolve the best marketing strategy as and when required.

THE ANSWER

One of the more recent projects we worked on is the launch of 3 The Square in Stockley Park, Uxbridge. 3 The Square is an impressive office building offering working environments from 21,860 to 93,055 sq ft.

We developed all the marketing materials, such as brochures, mailers, e-mailers and the 3 The Square website, to support the launch of this extravagant building.
